

# BARON LEATHER<sup>®</sup>

*Genuinely Yours*

## HAWAII

Select european hide, chromium tanned, aniline dyed full grain uplostery leather. Material selection and specialized tannage are the first critical steps required to produce this fine milled grain product. The unique retannage provides Hawaii with a milled grain effect.

### Specification

Content	Full grain, aniline dyed.
Finish	Aniline with shine.
Thickness	1.4 - 1.6 mm
Average hide size	55 sq.ft. (+,-)

### Performance Characteristics
