Welcome to the world of Elden Ring. Created by HUMA, an IP developed by Cygames Inc., Elden Ring is a fantasy action RPG for the Playstation 4. It is a brand-new fantasy RPG series with a rich background, in which the players freely explore vast worlds in which they can customise their character in a variety of ways. The adventure continues on, so don’t miss out on this exciting fantasy adventure!Pakistan’s top military brass, including Joint Chiefs of Staff Committee Chairman Gen. Qamar Javed Bajwa and Director General of ISI Lt-Gen. Asif Ghafoor, have left for China to participate in the visit of Chairman of Central Military Commission of the People’s Liberation Army, General Liu Yuan, to Islamabad to discuss bilateral issues.The trip, the first ever visit of a member of the Chinese military to Pakistan, is being hosted by Islamabad.During the meeting, General Liu will likely be briefed on Pakistan’s stance in regard to China’s One Belt One Road Initiative. He will also meet with the military leadership of Pakistan.While Pakistan has not clarified about the purpose of the visit, India has however taken the Chinese military chief’s visit as an indication that Islamabad will be softening its stance on the Kashmir dispute.India has also been quick to play up the fact that China is a member of the UN Security Council and has been supportive of Pakistan during the recent UNSC sanctions against Pakistan on the Kashmir issue.China has indeed played a crucial role in protecting Pakistan on the UNSC during a period where India’s use of its veto power against its arch-rival Pakistan had created serious tension at the UNSC. Gen. Liu’s visit to Pakistan comes at a time when China has lately been trying to deescalate tension between the two countries and resume dialogue with Pakistan to ease tensions in the South Asian region.China is in the middle of an economic boom and its expansionist dreams are mainly focused on developing trade and economic links with the South Asian region.China’s ambitions in Pakistan are however likely to face severe resistance from Islamabad. While Beijing has recently taken stern action against Beijing-funded groups operating in Pakistan, it has done so because of what it views as an attempt by Pakistani ISI-backed groups to divide China and establish influence in Xinjiang province that is still technically under Chinese rule. “It is not possible to enter Pakistan or contact locals without state approval,” one of the operators

THE NEW FANTASY ACTION RPG. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. REVIEWS ELDEN RING game: STORY: In a place and time, the Elden Ring has fallen into ruin, and nothing remains of the ancient civilization except for the legendary Elden Tower. The Tower, however, lies in ruins, and the surrounding area is desolate. In this inhospitable land, Edea, a young elf, lives with the Hylian, a friendly and dauntless bear, and the two fight to live while hoping for a miracle. For a single day, the Hylian and Edea venture out to look for treasure while Edea searches for a partner who can help her restore the Tower. However, Edea encounters a mysterious man. His footsteps are carried on the wind; the door to the tower creaks in his presence, echoing his distant voice. In an attempt to catch a glimpse of the man, Edea lands in front of the Tower. However, the door suddenly opens, and a vile monster emerges. It seems to be the man in disguise, but not enough for Edea. She screams out in rage. The Tower falls silent. The man seems to be startled by Edea’s scream and wonders why a place like the Tower exists in the middle of a dark forest. After an hour passed and nothing has happened, he decides to go inside the Tower. Unknown to him, Edea watches it all from the distance as the knight, a so-called “fighter of the ring,” enters the Tower. This is the beginning of what Edea calls the “New Fantasy Action RPG.” GAMEPLAY: However, there is more to the story than what is told in the beginning. Throughout the game, a different scenario is introduced to you. You will gain strength as you defeat monsters and fulfill quests. The world is beautiful and diverse.
